ORDER:

        The Government vide orders cited in the first reference has defined its e-Governance vision as part of its IT policy. The IT vision says, "The Government of Andhra Pradesh is committed to build a people-centered, inclusive and development-oriented Information Society, where everyone can create, access, utilize and share information and knowledge, enabling individuals, communities and people to achieve their full potential in promoting sustainable development and improving their quality of life".

2.   The Government of Andhra Pradesh aspires to transform the State into a knowledge society and make available the benefits of information technology to all citizens, especially those in rural areas. To achieve such vision it is envisaged to plan e-Government strategy aiming at achieving twin objectives of improving the service delivery of government services to the citizens and improving the internal efficiency of the back-office administration of Government Departments.

3.   "Computer Society of India" is a professional body where computer professionals meet to exchange views and information, to learn and share ideas. The members are committed to the advancement of the theory and practice of Computer Engineering and Technology Systems, Information Processing and related Arts and Sciences. CSI is the oldest and largest organization of IT professionals in India having 40,000 members and 66 chapters across the country exclusively focusing on the interest of the IT Professionals. CSI publishes "CSI Communications" (monthly) and CSI Journal (quarterly) which are mailed to members.

4.   To get access to the CSI publication and to share the knowledge of the CSI members, in the Knowledge Sharing Summit 3rd read above, it was decided to take the Institutional Membership for IT&C Department in Computer Society of India (CSI). IT&C Department at a cost of Rs. 32,000/- for 7 years . The nominees of the Institutional members must submit their individual forms duly filled through the institute.
